

ASCÉNDER PROJECTS

Zaryadye Concert Hall [Moscow, RUSSIA]

ARCHITECTS: **Reserve Architects**

Like Zaryadye itself, this shining, modern concert hall was designed to show that Moscow not only has moved into the 21st century, but that it is on par with Western Europe: it's an international hall, like the Elbphilharmonie, like the Paris Philharmonie.

French International School in Hong Kong

[Hong Kong (HK)]

ARCHITECTS: **Henning Larsen**

In the concrete jungle of Hong Kong, Henning Larsen completed the new campus of the French International School offering a vibrant green oasis in the dense city.

Taronga Institute of Science & Learning

[Sydney, AUSTRALIA]

ARCHITECTS: **NBRS Architecture**

Taronga Zoo is one of Australia's most popular destinations, attracting more than 1.4 million visitors annually. The Taronga Institute of Science and Learning project was part of the Zoo's Centenary Revitalisation Plan
