

ASCÉNDER PROJECTS

Valencia Congress Centre, Spain

ARCHITECTS: **Norman Foster & Partners**

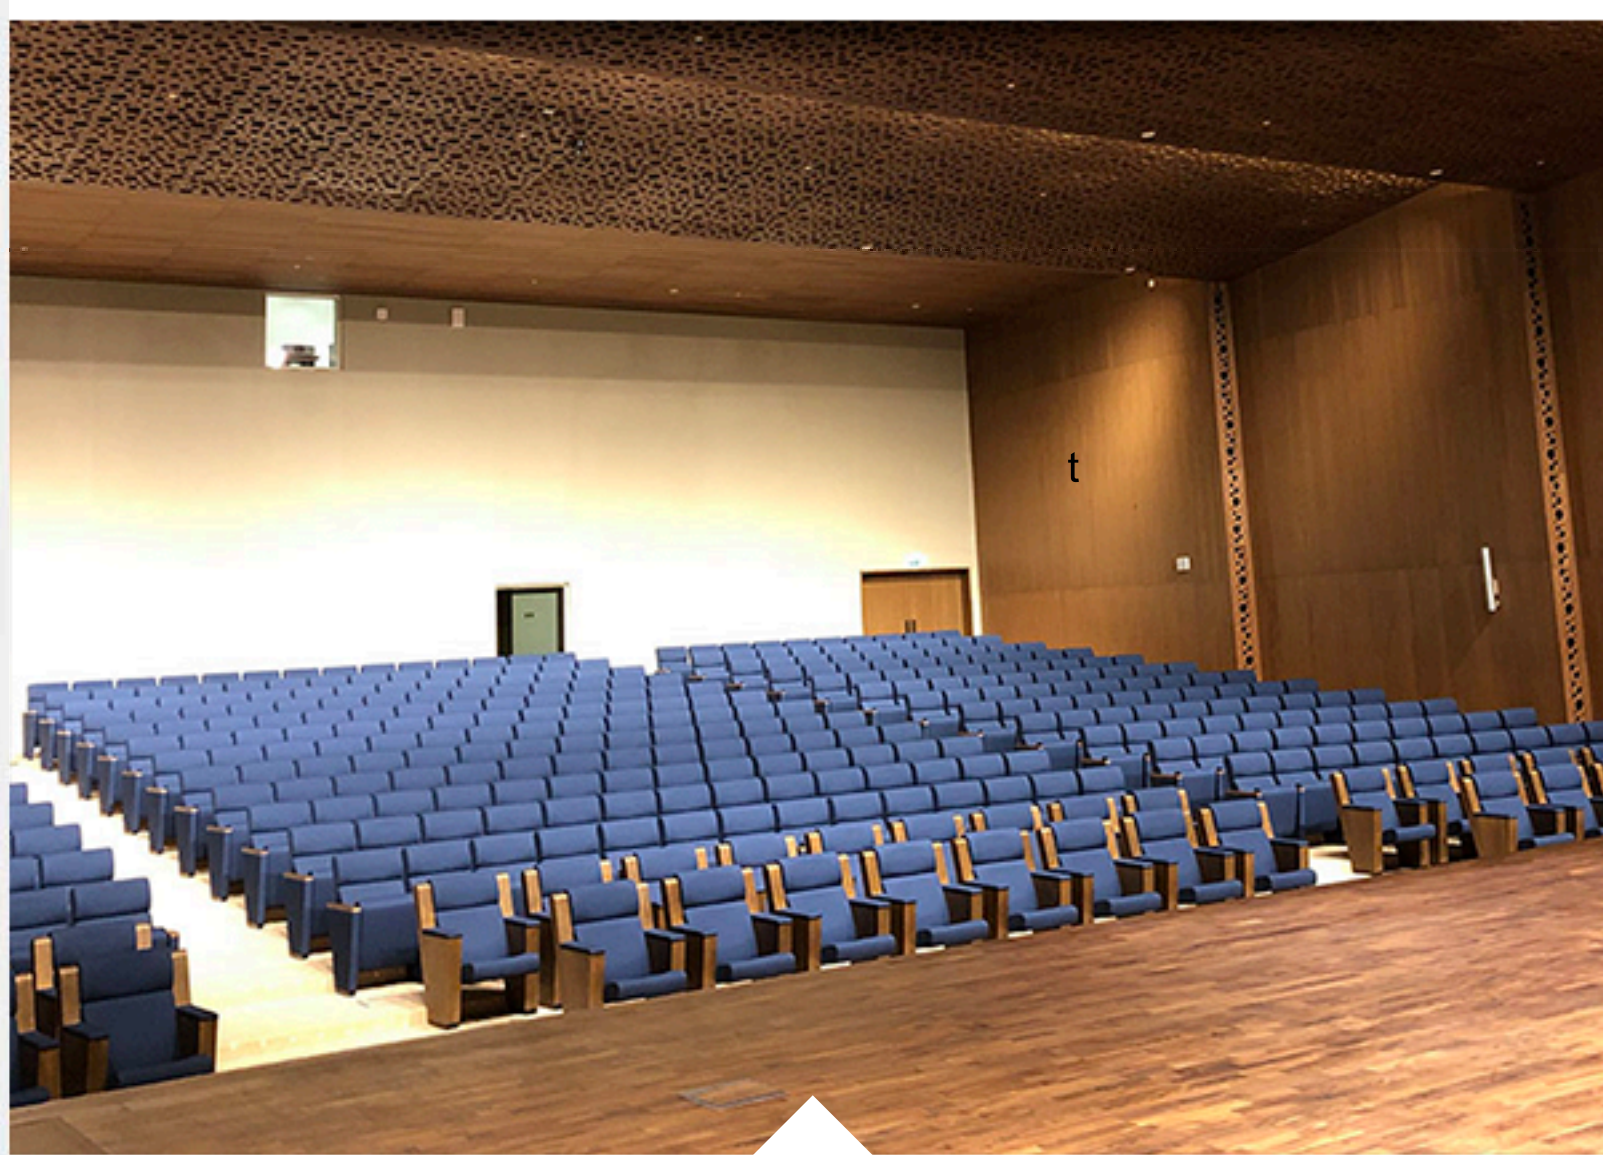

Since last September, Valencia Congress Palace offers new seating in its auditoria. Over 2,000 new seats, about 500 tables and more than 2,000 m2 of carpet modernised the aesthetics of all venues...

Theatre Lalek Pleciuga, Szczecin, Poland

ARCHITECTS: **ECE Projekt management**

This famous puppet theatre left its former 1953 venue to relocate in 2021 in a new three-storey building in the heart of Szczecin with capacity for 298 spectators...

Federal Supreme Court, Abu Dhabi (UAE)

INTERIOR CONSULTANT: **AK DESIGN**

The Court building has an approximate built up area of 24,000 m2 and consists of basement parking, ground floor and three storeys, in addition to heli-pad. This project is a Pearl 2 Estidama rating and was handed over in 2020...
