

NEWSLETTER

Thank you!

Without doubt, 2023 has been very special for **ASCÉNDER** because our company celebrated its 20th anniversary!

After such a long time, it is difficult to forget the trip we enjoyed to get where we are now.

With all the ups & downs, Ascénder made its way with the help of their **workers, agents and distributors**.

This is the history of a family business in a town of La Rioja that has become a world leading manufacturer of seating for public venues.

Now, it is time for the next generation to lead and to take Ascénder to the next level by expanding their manufacturing capacity with new & improved facilities.

On 18th September we celebrated the **anniversary** in Ezcaray surrounded by those who have done so much for the company: our commercial network and workers.

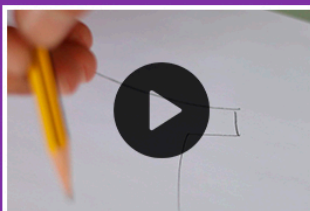

We all looked back at these 20 years and checked the long list of references we built together, the architects that signed the buildings where we installed our chairs, the theatre consultants we **work with and the clients that gave us their projects**.

So let's take the opportunity of the last Newsletter of 2023 to once more, thank all the **ASCÉNDER** family for their commitment to the company.
