

ASCÉNDER PROJECTS

Bristol Beacon, UK

ARCHITECTS: **Levitt Bernstein Associates Ltd**

Our work at Bristol Beacon began 6 years ago with the architect Lewitt Bernstein and the consultant Charcoalblue with the aim of converting this venue into a multi functional space that might adapt to any type of event....

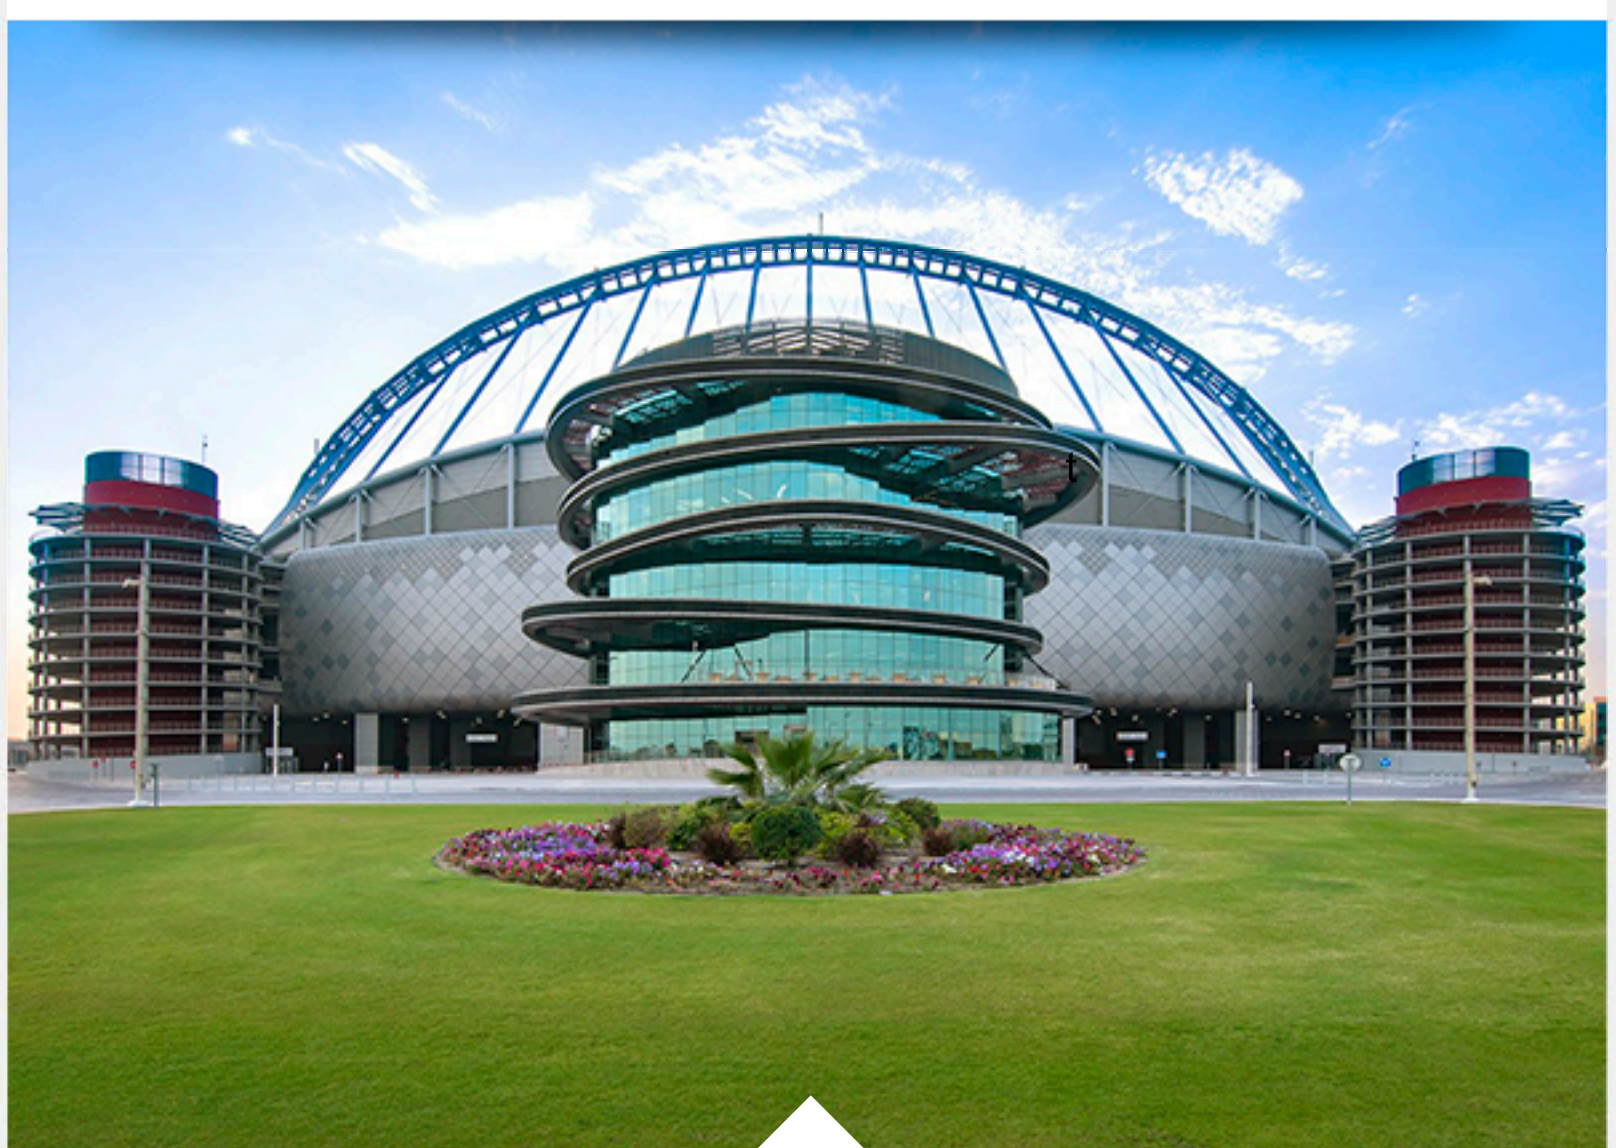

TruStage – CUNA Mutual Group, USA

ARCHITECTS: **Eppstein Uhen Architects Inc.**

Hussey Seatway offered us the opportunity to participate in this exclusive project through their distributor in Chicago, Carroll Seating.

The armchair selected for its comfort and versatility is the Space Club model, the big brother of the Space series which guarantees...

3-2-1 Qatar Olympic and Sports Museum, Qatar

ARCHITECTS: **Joan Sibina & Partners**

Spanish architect Joan Sibina designed the 19,000 square meters 3-2-1 Qatar Olympic and Sports Museum in Doha, Qatar, which features a cylindrical glass building within five intertwined Olympic rings....
